

**GAVIN, YOUR TWEETS
ARE EMBARRASSING
CALIFORNIA. STOP
ACTING LIKE A #CLOWN.**

California has real problems: Businesses are struggling; families can't afford to live here; destroyed homes still haven't been rebuilt; unions and trial lawyers are ruining the state's reputation. Rather than solving these problems, our Governor is wasting time on social media and bringing shame on our state. It's time for Gavin to get offline and get back to work.
